

Biodiversity Workshop

Greening Australia and the Australian Government invite you to look at various styles of revegetation to improve biodiversity, while you are considering new upcoming funding opportunities. Open to anyone with an interest!

**Thursday 19th January 2012
9.30am – 12.30pm**

Emerald Meteor Motel, Cnr Opal & Egerton Street, Emerald

The workshop will focus on providing the community with the most up to date methods for reintroducing and managing biodiversity. Importantly the workshops will help maximise the outcomes of existing and new natural resource management and environmental programs such as the Clean Energy Future's Biodiversity Fund.

RSVP essential. Contact Nikki Whelan at Greening Australia on 07 3902 4416 or email: nwhelan@greeningaustralia.org.au
