Statement regarding the passing of Barbara Wildin

From Acting Chief Executive Officer Claire Rodgers

Fitzroy Basin Association Inc. (FBA) notes with sadness the passing of previous Chair Barbara Wildin.

Barbara led the organisation from soon after her retirement from local government in 2000 until her retirement due to illness on 25 July 2005.

Barbara's leadership and energy saw FBA expand from four staff to an organisation of around 30 staff investing more than \$25 million dollars over three years.

During this time, Barbara continued and expanded FBA's work of bringing stakeholders together to plan wise management of our region's resources.

Barbara is remembered for her drive and enthusiasm, her perseverance in the face of obstacles, and for her friendship to staff and stakeholders alike.
