

Bernie Claussen

Senior Land Management Officer

☎ 0408 158 232
✉ bernie.claussen@fba.org.au

Bernie is a highly specialised and experienced Land Management Officer who has been a Natural Resource Management professional for over seven years. She has successfully led gully remediation and stream bank erosion control programs, with documented achievements.

Bernie enjoys working in rural areas with landholders to achieve mutually beneficial outcomes for these producers and the environment. Throughout her time at FBA, Bernie has established herself as a highly reputable soil conservationist, often mentoring younger members of staff.
