

Kate Jackson

Land Management Officer
(Grazing)

☎ 0427 572 200

@ kate.jackson@fba.org.au

As a Land Management Officer, Kate is responsible for assisting with the delivery of technical and extension support to landholders to promote the adoption of best practice grazing land management.

In Kate's time living in Central Queensland, she has accrued a diverse work history in the field of agriculture, through the business, finance and education sectors. Kate brings to the FBA team a range of skills that allows her to be flexible in the delivery of support to the agricultural industry, all of which coincide with the underlying principle of working with graziers to help them manage their land, livestock and business to deliver sustainable and profitable outcomes.
