

Katie Crozier

Regional Extension Coordinator

☎ 0408 874 042
@ katie.crozier@fba.org.au

Katie's career objective is to empower landholders to optimise their situation by focusing on elements within their control. What drives Katie to succeed in her work with FBA is having witnessed first-hand the difference that can be made on-ground with the right knowledge, support and training.

Key skills that Katie brings to her work include grazing extension, delivery of technical information, project management and economic analysis. Katie endeavours to build capacity for landholders through listening and responding to their needs, in an ever evolving social, environmental and political landscape.

As the Regional Extension Coordinator, Katie fosters connection between extension practitioners to enhance capability in the industry, identifying opportunities to learn skills and share resources.
