Wild Dog Control Roadshow

Injune | Guluguba | Theodore | Baralaba | Bauhinia

Do you have issues with wild dogs in your area?

Come along to hear about humane and safe ways of trap and control wild dogs. You will learn effective methods in:

- ✓ baiting
- ✓ trapping
- ✓ shooting
- ✓ fencing

Your presenters:

Darren Pointon

Out n About Trapping and Outfitters - Owner Operator

Darren Pointon has been a professional vertebrate pest manager for the last 30 years. Specialising in wild dogs, Darren works with government and private landholders across land tenures to resolve wild dog impacts on livestock, native wildlife, pets and people.

Jordy Oostrom - Trapper

Jordy Oostrom has been trapping predators for 25 years, developing his business as a professional pest controller for private and government agencies. Jordy's experience includes trapping, deer control and guided hunts in Europe and North America.

Trap and camera lucky door prize at each workshop!

Equipment available for purchase, with trap and camera discounts available for attendees
